VILLA AND COTTAGE LOTS At private sale at Monument Place

HAVING had that beautiful piece of property, adjoining the Relay House, on the Baltimore and Ohio Railread, surveyed and laid out by experi-

enced and competent Engineers and Architects, it s now offered for sale in lots of suitable sizes for either Villa or Cottage Residences. The location is such as to make it the most desirable piece of property ever offered for such purposes in thi vicinity. Its distance from Baltimore by Turnpike is 7 miles—two roads leading from it to the City-distance by Railroad 9 miles. Time to Baltimore 15 minutes-Washington 1 hour-Anapolis 11/2 hours-20 passenger trains of cars pass the Relay House daily, going North, South, East and West-thus affording unusual facilities to persons doing business in or out of the City of Baltimore. Its location is perfectly healthy, and being eleva-

ted from 100 to 230 feet above tide water, it commands a most extensive and beautiful view of the surrounding country for miles. From it can be seen three counties on the western, and one on the eastern shore of this State, the Patapsco River and Chesapeake Bay. A large portion of the property is covered with for-

est and ornamental trees, presenting many picturesque and commanding sites for Cottages. the property is an extensive orchard of choice fruit. and several spring of pure water. Water can also be elevated on the property from the Patapsco at a very small cost, sufficient to supply hundreds of At the Relay House is a post-office, where daily

mails are received. In view of the property, and within 10 minutes walk are Churches of different religious denominations, and within 21/4 miles are two large female academies, (Mount de Sales and Ingleside, and St. Timothy's College.

The property will be sold in lots of such sizes as to suit purchasers, varying from one to fifteen acres, or more; or I will sell the entire tract of 140 acres, the purchaser or purchasers having the advantage of a charter granted by the Legislature of Maryland at its last session, to improve and beautify the grounds and erect dwellings and other kind of buildings thereon. The dwelling now upon the property is commodious, with all the necessary out houses. A plat may be seen and terms made known by application to the undersigned, or to

Proposals for Furnishing the Paper for the Public Printing.

Office Superintendent of Public Printing,
Washington, Sept. 30, 1853.

N pursuance of the "Act to provide for executing the public printing," &c., approved August 26, 1852, cealed proposals will be received at this office, in the Capitol, until the first-Monday (5th day) of December next, at twelve o'clock, m., for furnishin the paper that may be required for the public print ing for the year commencing on the 1st day of De-cember, 1853, and ending on the 1st day of December

The subjoined list specifies, as nearly as can be as certained, the quantity, and the quality and description, of each kind of paper that will be required. CLASS 1.

12,000 reams fine printing paper, uncalendered, to measure 24 by 38 inches, and to weigh fortyfive pounds to the ream of 460 sheets. CLASS 2

2,000 reams fine printing paper, calendered, to measure 24 by 38 inches, and to weigh fifty-six pounds to the ream of 480 sheets. CLASS 3.

The fibre of the paper of each of the above clusse to be of linen and cotton, free from all adulteration with mineral or other substances, of a fair whiteness, and put up in quires of twenty-four sheets each, and in bundles of two reams each, each ream to contain 480 perfect sheets. Uniformity in color, thickness, and weight will be required; and no bundle varying over or under five per cent. from the standard weight will be received, and the gross weight will in all cases be required. Mixing of various thickness in the same bundle to make up the weight will be considered a violation of the contract. Samples indicating the quality, &c., of the paper required in the foregoing three classes can be of tained at the office of the Superintendent, or will be

turnished by mail or to persons intending to bid. Contracts will be entered into for supplying the quantities required in the first, second, and third classes, at such times as the public service may require; but the privilege is reserved of ordering s greater quantity on either class, should a greater quantity be required, at such times and in such quantities as may be deemed necessary.

All of the papers designed in class 4 to be made of the best materials, free from adulteration, and to be of white or blue color, as may be required, and to be of the regular standard sizes of their respective kinds. The quantities named therein cannot be taken as a guide, it being impossible to arrive at the definite quantity that will be required of any one kind; and the right therefore is reserved of ordering a greater or less quantity of each and every kind contracted for, at such times and in such quantities as the publie service may requ re.

Each class will be considered separately, and be subject to a separate contract; but bidders may offer for one or more of the classes in the same proposal: and the privilege is reserved of requiring a bidder who may have more than one class assigned him to take all such classes, or forfeit his right to any class. Samples (not less than one quire) of each kind of paper bid for, and but one sample of each kind, must accompany each bid; and, in class 4, be numbered to correspond with the number of the paper proposed for in that schedule, and, in the first three classes, to be preperly designated on the sample, or it will not be considered. And all proposals and samples must be transmitted to this office free of postage or other

Each proposal must be signed by the individual or firm making it, and must specify the price per pound and the consequent price per ream, (and but one price for each.) of every kind of paper contained in the class proposed for.

All the paper in the several classes must be delivered at such place or places as may be designated in Washington city, in good order, free of all and every extra charge or expense, and subject to the inspec tion, count, weight, and measurement of the Super intendent, and be in all respects satisfactory.

Biank forms for proposals will be furnished at this office to persons applying for them; and none will be taken into consideration unless substantially agreeing therewith. Bonds, with approved securities, will be required; and the supplying of an inferior article in any of the classes, or a failure to supply the quantity required

at any time, will be considered a violation of the con-Each bidder is required to furnish with his propo sals satisfactory evidence of his ability to execute it and to offer at the same time two good and sufficient securities, to be so certified by a judge or clerk of a United States court of the district, in which the sure ties may reside, for the faithful execution of the contracts proposed to be undertaken by him; and any

proposal unaccompanied with such evidence will rejected.

The proposals will be spened in the manner re quired by law "on the first Tuesday after the first Monday in December next, (6th,) at 10 o'clock, a. m at the office of the Superintendent. Proposals with be addressed to the "Superintend

Proposals for furnishing Bricks. UNITED STATES CAPITOL EXTENSION AND

WASHINGTON AQUEDECT OFFICE, WASHINGTON, October 19, 1853. DROPOSALS will be received at this Office, until 6 p. m. of the 20th December next, for furnishing Bricks for the construction of the Washington The whole quantity needed will probably be about forty millions. Proposals shou'd state the quantity

which each bidder will undertake to furnish. The bricks must be delivered at such points of the line as may from time to time be de ignated by the Engineer. The times and quantities will depend on the appropriations made by Congress. There are large deposites of clay suitable for making bricks along the line, and the contractor will be

required to furnish a sample of the clay and bricks before commencing the manufacture. None but well made hard burnt bricks, entirely acceptable to the Engineer, will be received, and they will be required to be made in moulds conforming in size to the municipal regulations of the city of Washington. Every offer must be accompanied by a written

guaranty, signed by one or more responsible per-

ons, to the effect that he or they undertake that

the bidder or bidders will, if his or their their bid be accepted, enter into an obligation within ten days, with good and sufficient sureties, te furnish the bricks offered. Faid guaranty to be accompanied by the certificate of the United States District Judge, United States District Attorney, Navy Agent. or some officer of the General Government or individual known to the Department of War, that the guarautors are able to make good their guaranty. All bids to be sealed and endorsed "Proposals for Brick for Washington Aqueduct." The bids will be opened in the presence of such bidders as may choose to be present. As the certainty of supply is very important, the failure of a contractor in volving probably the rtoppage of the work for a whole season, the United States reserves to itself the right to reect any or all bids, and to make such arrangements for the supply of bricks as may be most advantage-
